

# Turn the Town **TEAL** In September

Volunteers are needed to tie teal ribbons to “downtown” or “town center” trees in recognition of *National Ovarian Cancer Awareness Month*. Assemblyman Daniel Benson has registered all towns in his municipality and has applied for permission with each district government. Please contact Sharon Shinkle Gardner at [sshinklegardner@njleg.org](mailto:sshinklegardner@njleg.org) to confirm your help in one of the towns listed below.

We will provide the ribbons, which can be tied to trees on or before 9/1/15 and can be taken down by 9/30/15.

Towns where help is needed:

Hamilton  
East Windsor  
Hightstown  
Jamesburg  
Cranbury

Plainsboro  
Spotswood  
Monroe  
Robbinsville

We would be most grateful for your support.

Thank you!
