Dear Jean,

Thank you so much for your generous donation of \$5,000 in support of Cooper University Health Care. As you know, Cooper is committed to world class patient care, education and research, resulting in a healthier community. Your gift will make a difference in the lives of many people. As requested, your donation will be directed to the Cancer and Pregnancy Research fund.

Offering a simple "Thank You" for your gift does not feel like it is enough, because what you have done is help us save lives. The best I can do is tell you how much we appreciate your generosity. We hope we can continue to demonstrate to you that we value your support and that we use it wisely to provide the help that our patients need.

Very truly yours,

A handwritten signature in blue ink that reads 'Susan'.
